3. The student is in good standing (i.e., eligible to re-enroll) at the last college or university attended.

II. IMPACTED PROGRAMS:

The CSU designates programs as impacted when more applications are received from fully qualified applicants in the initial filing period (October 1 through November 30 for fall) than the number of spaces available. Some majors are impacted at every campus where they are offered; others may be impacted only at some campuses. **Applicants to impacted majors must file the application for admission during the initial filing period and will be subject to supplementary admission criteria.**

III. LOWER DIVISION MAJOR REQUIREMENTS

Most majors require that you complete certain preparatory courses prior to transfer. This can normally be accomplished at Crafton Hills College. Consult the catalog for the college of your choice to determine regulations governing the completion of lower division major requirements and related restrictions. Refer to ASSIST (www.assist.org) for information about lower division major requirements, and consult with a counselor regarding transfer plans!

IV. APPLICATION FILING PERIODS

You are urged to file early! Applications to impacted majors must be filed during the initial filing period. If applying after the initial filing period, check www.csumentor.edu for current information. Most campuses will acknowledge receiving your application within two to four weeks. **You may apply online at www.csumentor.edu.**
