I. TRANSFER ADMISSION REQUIREMENTS

A student is eligible for upper division transfer if the following requirements have been met:

1. At least sixty (60) semester units of transferable college courses have been completed with a grade point average of 2.00 or better. Non-residents of California must have a 2.40 or better grade point average.
2. At least thirty (30) units of the 60 units required for transfer **must** be selected from the general education courses in areas A through E. Each of the courses within these 30 units must be completed with a grade of "C" or better. Additionally, at least one course from EACH of the following areas must be completed with a grade of "C" or better **prior to transfer**. "C-" or better is required for courses passed along from other colleges.

Area A1	Oral Communication
Area A2	Written Communication
Area A3	Critical Thinking
Area B4	Mathematics/Quantitative Reasoning

3. The student is in good standing (i.e., eligible to re-enroll) at the last college or university attended.

II. IMPACTED PROGRAMS:

The CSU designates programs as impacted when more applications are received from fully qualified applicants in the initial filing period (October 1 through November 30 for fall) than the number of spaces available. Some majors are impacted at every campus where they are offered; others may be impacted only at some campuses. **Applicants to impacted majors must file the application for admission during the initial filing period and will be subject to supplementary admission criteria.**

III. LOWER DIVISION MAJOR REQUIREMENTS

Most majors require that you complete certain preparatory courses prior to transfer. This can normally be accomplished at Crafton Hills College. Consult the catalog for the college of your choice to determine regulations governing the completion of lower division major requirements and related restrictions. Refer to ASSIST (www.assist.org) for information about lower division major requirements, and consult with a counselor regarding transfer plans!

IV. APPLICATION FILING PERIODS

You are urged to file early! Applications to impacted majors must be filed during the initial filing period. If applying after the initial filing period, check www.calstate.edu/apply for current information. **You may apply online at www.calstate.edu/apply.**
