### Intersegmental General Education Transfer Curriculum for Transfer to CSU and UC 2015-16

Student's Name \_\_\_\_\_  
 (print) Last First Middle Student I.D. # Major

Completion and certification of IGETC will permit community college students to transfer to a campus in the CSU or UC system with lower division requirements completed. **COURSES IN BOLD PRINT ARE RETROACTIVELY APPROVED FOR FALL 2014 AND THEREAFTER.**

**IGETC is not advisable for all transfer students.** Students with majors that require extensive lower division preparation may be best served by taking courses that fulfill the General Education Breadth of the UC campus. These majors include, but are not limited to, Engineering, Pre-professional programs, and Science.

**CERTIFICATION:** Request **CERTIFICATION** from the Admissions and Records Office. Current IGETC standards allow for full or partial certification. **Partial certification** is defined as completing all but two courses from any area **except those listed in Areas 1 and 2.** Minimum UC and/or CSU transfer requirements must be met prior to transfer. All courses must be completed with a "C" or better. IGETC may be certified by any Community College the student has attended.

**INSTRUCTION TO COUNSELORS:** Circle courses and enter units in appropriate column. **Requirements satisfied by exam should be noted.**
